Past Events- Reflection

- 92 people attended Thirst Thursday- January 10

Upcoming Events- 60 days out

- There was a long discussion on registration and if it is reasonable to have residents register online and then link over to Square for payment. The conclusion was that a pre-registration would be good, and a text alert for if ticket prices increase, or tickets sales stop should be added. I have talked with Adam about this idea.
- Sports Outing- March
 - **March 20th Wednesday game at 1:10pm- San Diego and Milwaukee**
 - Committee decided to not do transportation and offer the tickets together for the group.
 - \$39 is the cost for all the all you can eat section. The association will be able to bring the ticket price down a little for the resident ticket price. Kelly will get back to you on this.
- Village Café- Around the World- April 13, 9:00
 - Ideas that came up for breakfast were:
 - Croissants
 - Meat and chees
 - Burritos
 - Quiche
 - Sweet rice
 - Polish food choice?
- Eggstravaganza- April 20
 - Committee wanted to know about 2yr and under having the empty eggs with a bag of goodies separate this year. Yes we will have those eggs empty for the 2yr and under.
